

Diving in Tunku Abdul Rahman Marine Park – 2 Dives for Certified Divers (1 Day)

Description

This trip is ideal for certified divers who are looking for a chilled out day in one of Sabah's most beautiful locations. It is suitable for newly qualified divers through to experienced leisure divers and includes one dive in the morning and one dive in the afternoon. It is perfect for those who wish to combine their day of diving with a day of relaxing on a tropical island and well equipped catamaran. You will dive at two different locations within the marine park each with pretty coral reefs and a diverse marine life.
