

# PADI Discover Snorkelling Experience

Our PADI Discover Snorkelling Experience is perfect if you wish to have an enjoyable, safe and interesting snorkelling experience. It involves our PADI Professionals taking snorkelers on guided tours and helping them spot and identify the wide range of marine life in the tropical waters of Kota Kinabalu. The PADI Discover Snorkelling Experience will take place at two of the islands in Tunku Abdul Rahman Marine Park (TARP).

## Itinerary

*(timings to be used as guidelines only)*

9.00am – Meet at Jesselton Point Jetty (under the archway) in time for the boat transfer to Tunku Abdul Rahman Marine Park

9.30am – Briefing and first snorkeling tour

10.00am – Free to snorkel in designated and protected area

12.00 noon – Enjoy a relaxing lunch on a tropical island

1.30pm - Briefing and second snorkeling tour. If swimming ability, weather and sea conditions permits, this will be from the boat.

2.00pm - Free to snorkel in designated area

3.00pm – Boat transfer back to Jesselton Point Jetty

## Skills Taught:

- snorkel swimming and water safety
- Local sights, sounds and water temperature
- Hand signals
- Entering and exiting the water
- defogging a mask,
- floating, breathing, removing water from snorkel & mask

## Inclusions:
